

HOW DO I APPLY?

Your project does not have to be complicated; it just needs to be aimed at addressing one of the priority populations identified by the Nebraska HIV Care and Prevention Consortium. You should have a complete and practical plan for implementing your project, including a simple, line item budget.

Tips include:

- ✕ Prepare carefully: Do as much work as possible on your project before applying.
- ✕ Share your proposal: Show your proposal to people you respect and ask for their suggestions.
- ✕ Be specific: Concentrate on one concrete issue in your community.
- ✕ Show cost: Give detailed costs of your project. Include items that will be donated, if any.

CRITERIA

Each project that is considered for funding should meet the following criteria:

- ✕ Addresses a priority population
 - ✕ Benefits the community and its residents
 - ✕ Demonstrates a concrete plan of action
 - ✕ Provides a detailed budget and time line
 - ✕ Involves other community members/organizations
 - ✕ Displays adequate accountability and capacity
 - ✕ Funding is for one-time only projects
